

Welcome...

Options:

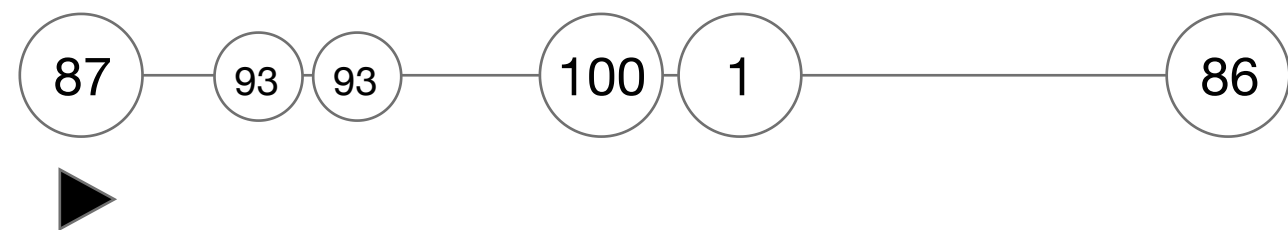

1) Play straight - Starts at line 1, read through to the end with no repeats

2) Customize - Choose the starting line, and how many times each line repeats

3) Randomize - Start with a random line, and random lines will repeat some random number of times, still progresses linear, 37, 38, 39, etc.

Customize

Step 1: Choose the starting point

Step 2: Choose lines that will repeat

Step 3: Render

Step 4: Play

Customize

Step 1: Choose the starting point

Start with line 1, or, choose a different place to begin.

There are 100 lines, which one would you like to start with?

Customize

Step 1: Choose the starting point

37

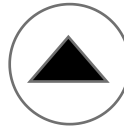

Step 2: Choose lines that will repeat

Each line can repeat up to ten times.
